

Currypool Equestrian - Volunteering Policy

Volunteering at Currypool includes handling the horses and also assisting with lessons, so a great opportunity to learn transferable life skills with horses and humans.

All volunteers are asked to book in weekly via the yard phone 07835 579960. This allows us to manage our numbers of volunteers attending each day for safeguarding purposes - please give notice if the volunteer cannot attend on the day booked in, so as we can offer another willing volunteer the opportunity.

Our opening times where we can accommodate volunteering are as below....

Term Time: After school to 8pm

Saturdays: 8:15am - 2:15pm

School Holidays - Staff will advise on timings at time of booking due incase there is a change of schedule.

When arriving at the yard, a parent/guardian must sign the volunteer in on the relevant form in the office & also sign out when collected.

For safeguarding purposes please ensure you also include whom is collecting the volunteer & inform us if this changes as we can only let them go with the person stated on the sign in sheet.

Emergency contacts must be contactable & able to assist the volunteer in case of an emergency or an unforeseen closure.

Mobile phones are not permitted when volunteering for safeguarding purposes, in the event of needing to contact a parent/guardian then this will be done via our yard phone through a member of staff.

Please bring appropriate clothing for the day & a drink/lunch as required.

Please sign below to acknowledge you have read & understood the above & agree to follow our guidelines.

(Under 18 year olds signature required by parent/guardian)
